

Horse Entry Forms for the Trakehners Australia Inc / Trakehner Verband eV
2020 Grading and Classification tour: 1 March to 10 March 2020.

Trakehners Australia Inc is proud to be conducting the Trakehner 2020 Grading Tour.

This year we are again hosting Matthias Werner, representative of the Trakehner Verband eV to consider and score all our entered Trakehner horses, whether for registration into the Trakehner Verband eV, Trakehners Australia or for general assessment of an already registered horse.

Entries are available for both purebloods and derivatives. We now require those who have expressed interest and/or filed stud stop booking to complete their Horse Entry Forms, including the health declarations and waiver documents. These are set out below. PLEASE COMPLETE THESE AND FORWARD THEM BACK TO THE SECRETARY OF TA INC BY 26 JANUARY 2020. If you have difficulty with this, please email the Secretary at secretary@trakehnersaustralia.com.

We understand that some people are experiencing difficult times in the current drought and fire situation, and if we can accommodate special circumstances, we will. Please feel free to communicate in confidence.

As well as scoring the entrants, Matthias will be speaking to each owner/breeder and can make time to advise on breeding options for your mares, and speak to you about your own breeding goals and how to progress with them.

The focus in 2020 is on registration and breeding guidance, hence we will not be conducting a full suite of "show" classes, but will be making awards based on the scores to recognise excellence with horses scoring 75% or more eligible.

The tour will commence on 1 March 2020 in Victoria and it is confirmed that we will be visiting studs in Victoria, Tasmania, New South Wales and Queensland.

You need to be a Trakehners Australia Inc member to participate, so if you are not already a member you need to submit your membership via the website asap, and no later than concurrently with this tour application.

For the tour itself, you need to complete:

1. the entry forms
 - a. Part A, the summary of your entries and payment details
 - b. Part B, one for each horse to be TV assessed (we send these on to the Verband as a courtesy to give them as much notice as possible).
 - c. Part C, one for each horse to be TA assessed.
 - d. Part D, one for each horse to be Registered with TA (this in addition to the part C for the horse)
2. the Waiver document
3. the Horse Health document.
4. Payment for TA horses and stud stop fee to be made to Trakehners Australia.

The date for your stud visit will be confirmed after receipt of your entry.

The GUIDELINES and recommendations for the Grading day are in a separate document. Please read this so you understand the process.
